DEDICATION

Mr. Roy E. Loving

We, the senior class of 1960-61 dedicate this FLUVANNUAL to you. Through your interest and leadership you have given us much that will inspire us to be able scholars, capable citizens, and good sports.

FOREWORD

In this, the age of the airship and the rocketship, let us not forget those ships of past years. It was with the voyage of three ships that this new world was discovered. Let us, Fluvanna's seniors of 1961, enter into new realms hand in hand with three indispensable ships of today SCHOLARSHIP, CITIZENSHIP, and SPORTSMANSHIP

What do these mean to you, the students and the seniors of tomorrow? SCHOLARSHIP means doing your best on your assignments, maintaining above average grades, being honest, prompt, and prepared. Excellence in academic achievement at Fluvanna County High School is the foundation for a higher education and for a more abundant life.

CITIZENSHIP signifies integrity, participation, service, leadership, courtesy, consideration for others, and love for God and country. Our times demand conscientious, steadfast youth who have the courage to do what is right, for you are the leaders of the future. The world looks to you, fellow students, for continued freedom under democratic rule.

Finally, students of Fluvanna County High School, you come to your third ship, SPORTSMANSHIP. Sportsmanship is a genuine love of the game, a sense of fair play, and the ability to take defeat with a smile. You at Fluvanna County High School have a sportsmanship trophy as proof of your past actions. Do not forget that you have that to live up to. Always be good sports.

It is the sincere hope of the Fluvannual staff that we have been able to make your yearbook one that will be long remembered and cherished by you in years to come.

CLASS HISTORY

It was "Bon Voyage" in September 1956 when our mothers bundled us up and saw us safely aboard "The Three Ships," sailing for F. C. H. S. We were proud to be associated with the big people--high schoolers--and our sponsors, Mrs. Baber, Mrs. Hunt, and Mrs. Davis, who laid the foundation for our lives at F. C. H. S. We were now eighth-graders beginning a new era in our lives. During this year, we displayed our talent in dramatics both by presenting a play for the student body and by boasting a member for the League Play cast.

Returning in 1957 for our freshman year, with Mrs. Loving, Mrs. Griffin, and Mr. Jones as our sponsors, we were now more capable of accepting the responsibilities of high-school life. Our varied talents began to unfold as we proudly produced smiling faces for the minstrel, participants for athletics and the band, and prominent club members. We were really beginning to show our scholarship, citizenship, and sportsmanship.

When 1958 slipped around, we were off again for Fluco Hi as sophomores--the class bordering between the great and the small. Indeed, we were more inclined toward the great as we had more and more boys and girls taking part in the school activities; many of our girls became cheerleaders. No school affair was complete without at least one of our classmates having a finger in it. Mrs. Shepherd, Mrs. Harding, and Mr. Costello sponsored us this year.

Our junior year, beginning in 1959, saw us, not only taking part but also receiving many of the honors. We took our National Merit Scholarship Tests. Many of us were honored by being voted into the Beta Club. We received our class rings. (Truly, we were Fluvanna Hi students now!) Our Junior-Senior picnic, monitored by our sponsors, Mrs. Baber and Mr. Costello, was an unforgettable one and a rainy one.

And as we--the Class of 1961--returned to F. C. H. S. for our fifth and final year, we found little time for reminiscing and play as we went about our daily tasks. But the accomplishments of our Senior year! These they are:

Our annual staff worked tediously to produce this yearbook and our newspaper staff, to furnish the "Fluco Hi Quill;"

Our Homecoming, with its theme "Time Marches On" was a grand success;

Preparing for the Senior Play, "Henrietta

CLASS HISTORY

The Eighth," was lots of fun; the spaghetti supper did much to boast our energy; this play proved that we were talented performers;

We took college board examinations and prepared for college, not only by acquainting ourselves with the various colleges, but also by much concentrated study;

We furnished members for the newly formed vocal group, the "Choralettes";

Then we presented our Senior Prom, the highlight of the year. It was a beautiful evening, full of splendor;

Our Senior Trip was both informative as well as fun;

We were proud to entertain our mothers at our Senior-Mother Luncheon. We received our class graduation which we shall always treasure.

None of these can surpass the glory we experienced as we donned our caps and gowns and marched down the aisles, tassels dangling before our eyes, to receive our diplomas--the finale for our high school careers.

And then it was "Bon Voyage" again as Mrs. Gooch and Mrs. Talley, our senior sponsors, bade us farewell. Again we board the "Three Ships," going out to seek our fortunes.

Coffee Hour

The members of the Future Teachers of America engage in many activities to serve the school while investigating possibilities of their becoming teachers. Some of the projects on which they have worked are: "dressing up" the Teachers' Lounge, serving coffee and doughnuts during a District P. T. A. meeting, giving a Coffee Hour for the teachers, assisting teachers when needed and taking part in assembly programs.

N. Lum, B. King, M. A. Jackson, B. Butler, J. Pace, S. Gunn, D. Smith, J. Davis, and Mrs. Hunt attended the Student Virginia Education Association Convention in Richmond.

Dramatic Club Receives State

The Drama Club hopes to discover talent and encourage an interest in the art of the drama among the students. Each year the club puts on at least two plays, theChristmas play and the League play in the spring.

The ideal of every member of the Drama Club is to become the living character in the drama and at the same time to bring to that character an individual freshness from his own personal reservoir.

"Henrietta Eighth" climaxes Suzy's five year's participation in dramatics.

The Future Farmers of America is the national organization of, by, and for boys studying vocational agriculture in public secondary schools. Organized in November 1928, the F. F. A. has served to motivate and vitalize the systematic instruction offered to students of vocational agriculture and to provide further training in farmer citizenship.

The foundation upon which the Future Farmers of America organization is built includes leadership and character development, sportsmanship, cooperation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

The F. F. A. motto reflects a spirit and sincerity that shows the true viewpoint of farm youth, the "backbone of a nation." The motto is:

Learning to do
Doing to learn
Earning to live
Living to serve

The F. F. A. colors are national blue and corn gold.

F. F. A. members strive, as they mingle with others, to be diligent in labor, just in their dealings, courteous to everyone, and, above all, honest and fair in the game of life.

Future Homemakers Of America

To emphasize the importance of worthy home membership.

To encourage democracy in home and community life.

FUTURE HOMEMAKERS OF AMERICA

The Fluvanna Chapter of Future Homemakers of America work for real and lasting values in home, school, community, and state. The objectives of the club are: to develop a better understanding of our families and to contribute to their well being, to promote good will through getting to know our neighbors at home and abroad, and to interpret the value of Home Economics as a basic part of one's education.

Projects carried out by the club members include: painting the Home Economics Department, giving fashion shows, sponsoring a clean-up campaign, and serving a lawn supper.

Patricia Carver and Mary Ann Jackson attended the State Convention, bringing back new ideas and information. Patricia was a candidate for State Historian.

Work For Real And Lasting Values

To promote interest in home Economics.

To provide wholesome group activity.

THE BAND

The band serves the dual purpose of a class and an activity. It provides the school and community with colorful, stimulating entertainment in its concerts and parades. It seeks to find the interested and talented individual in school and to encourage him to develop his own potential. It affords an excellent opportunity for learning, cooperating, and emphasizing the importance of the individual's performance in the group.

Junior Garden Club Makes Up For Its Youth With Its Excessive Energy

Among the busiest students in school this year were the members of the newly formed Garden Club. The projects of the club included planting bulbs, making a yearbook, exhibiting arrangements, raising funds and making corsages.

Highlights of the year were the Christmas Door Decorating Contest and monthly contests in which members competed with each other for awards.

The club hopes to have achieved real art in arranging flowers by the time of the May show.

The door contest spreads Yule Spirit.

Blue, red, or white which will it be?

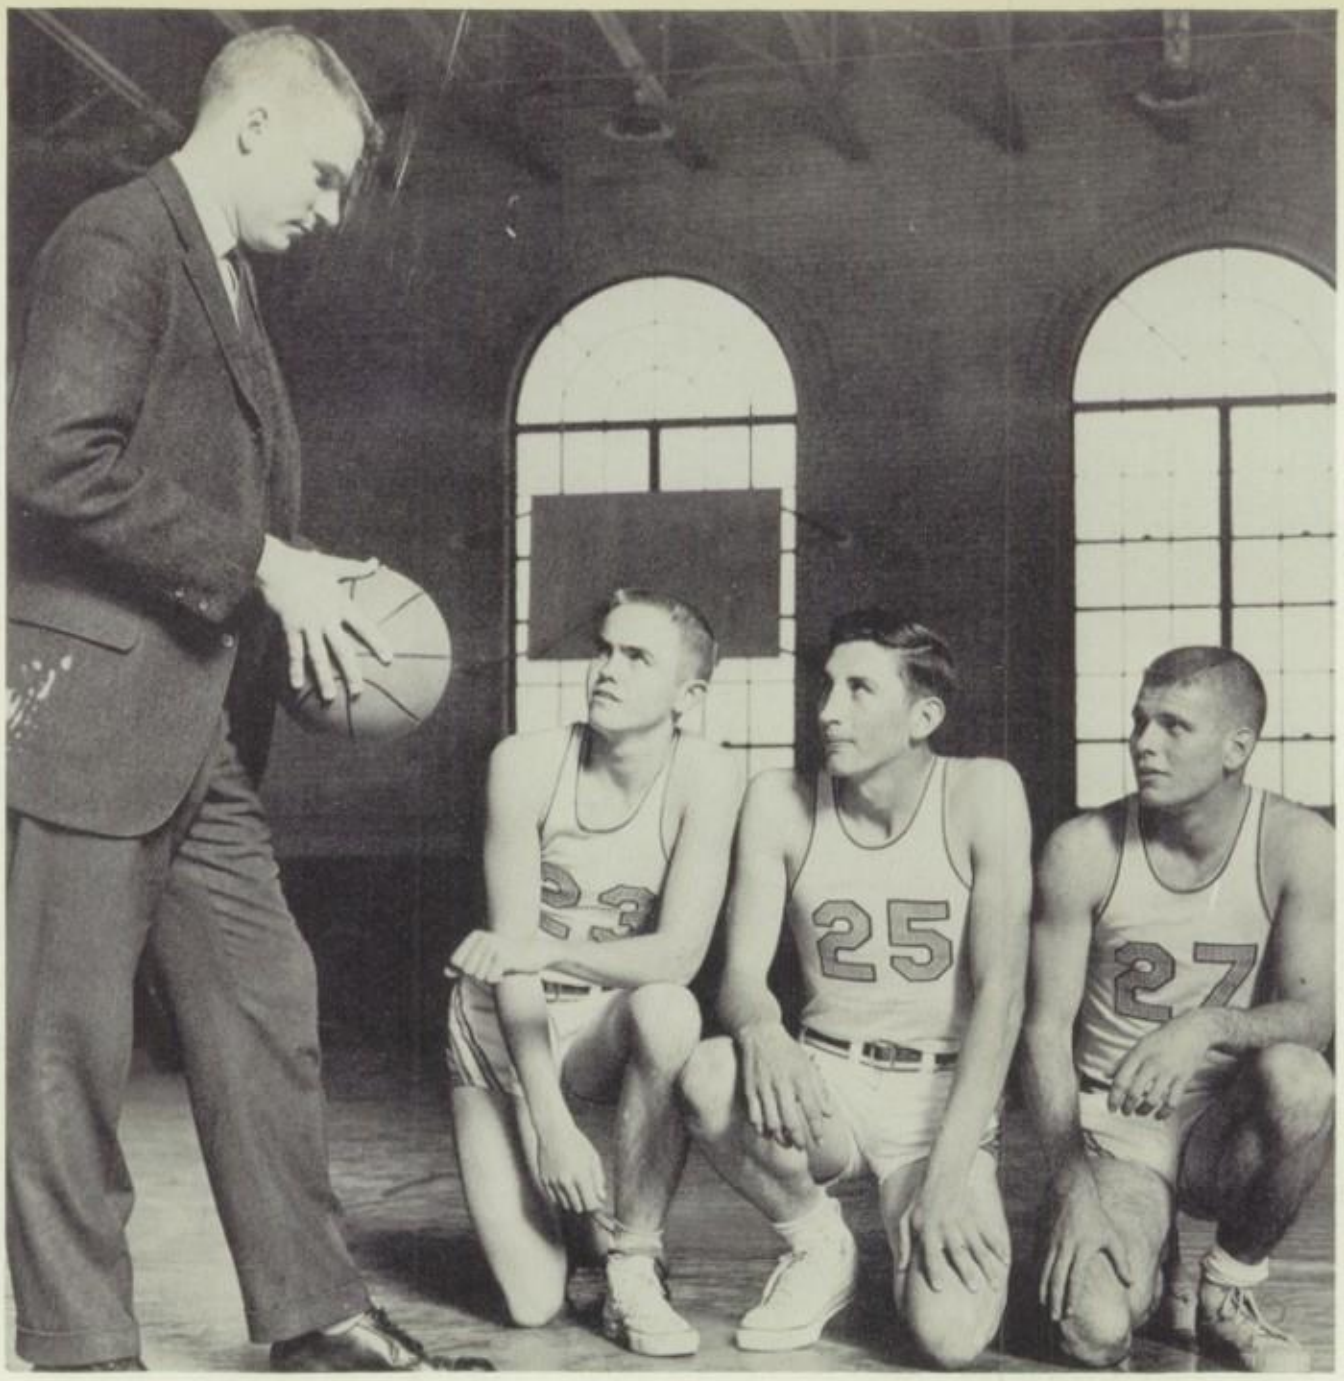
The Football Season

Our queen dresses.

Our court - a beautiful sextette.

"Tee" - our lovely queen.

Our captain escorts our happy queen.



The inexperienced Fluco cagers posted a 1-3 pre-Christmas record but are expected to improve as the season progresses. Coach David Johnson has only one letterman as the nucleus of his team, so much of the season's success will depend on the development of the new players. This goal is to gain a spot in the Group II, District II playoffs.

Fluvanna And Louisa Split

Behind the five-hit pitching of Frankie McGuinn and the slugging of Jim Davis and Kenny Haney, each with home runs, Fluvanna downed Louisa for its first victory by winning 8 to 4.

In the second contest between the two Louisa turned the tide by winning 9 to 7. Fluvanna's rally in the sixth inning did not materialize. Therefore, the Flucos took their third loss of the season.

Powhatan Nips Fluvanna

Between Powhatan's sly bunting and Fluvanna's errors, Powhatan was able to nip the Flucos 6 to 5.

Fluvanna got 9 hits, and time after time their rallies were suppressed by failing to take advantage of their breaks.

This loss gave Fluvanna a record of 1 win and 4 losses.
